Hi Peggy,

The SEMS State ID No. for Anderson Co. is: MD-633

You are correct the address in SEMS is 104-110 East Washington Street. I'll update the address when I conduct the PA review and submit the data entry forms for that. I know this is one of those sites in the backlog that needs a review.

Hi Joe. Couple things on this site. Could you please forward me the MD-# (MD-XXX)?

Also, when we originally looked at this site, we knew the address as 104-110 East Washington Street. However, with further investigation, we narrowed it down to 102 E Washington Street. So in SEMS, it is probably still 104-110. I would recommend the address be updated in SEMS to 102 E, so we'll have the

same address for the site. It could save us some confusion in the future.
